

1. Liaoning Province

1. Anshan Iron and Steel Company
2. Expansion of Benxi Iron and Steel Company
3. Fushun Power Plant
4. Fuxin Power Plant
5. Capacity increase of Dalian Second Power Plant
6. Fuxin Xinqiu Shaft
7. Fuxin Safe Shaft
8. Fuxin Haizhou Open-pit Coal Mine
9. Fushun East Open-pit Mine
10. Fushun Laohutai Coal Mine
11. Fushun West Open-pit Mine
12. Liushan Shaft of Fushun Shengli Mine
13. Newly built and expanded shaft of Fushun Longfeng Mine
14. Fushun Petroleum Second Plant
15. Fushun Aluminum Factory
16. Shenyang No. 1 Machine Tool Plant
17. Shenyang Second Machine Tool Factory (China-Czech Friendship Factory)
18. Shenyang Pneumatic Tool Factory
19. Shenyang Cable Factory
20. Reconstruction and expansion of Dalian Shipyard and
21. Yangjiazhangzi Molybdenum Mine and
22. One, one and two plants
23. Four to ten factories
24. New construction, expansion and reconstruction project of Bohai Shipyard.

2. Jilin Province

1. Changchun No. 1 Automobile Manufacturing Plant
2. PetroChina Jilin Petrochemical Company
3. Jilin Dyestuff Factory
4. Jilin Electrode Factory (now Jilin Carbon Factory)
5. Jilin Fertilizer Plant

6. Ferro tungsten production part of Jilin Ferroalloy Plant

7. Tonghua Wangou Industrial Well

8. Fengman Power Plant:

3. Heilongjiang

1. Harbin Electric Factory

2. Harbin Steam Turbine Factory

3. Harbin Boiler Factory

4. Harbin Bearing Factory

5. Harbin Weijian Machinery Factory (formerly Hafei)

6. Harbin Dongan Machinery Factory

7. Harbin Northeast Light Alloy Factory (formerly Harbin 101 Factory)

8. Harbin Measuring Tool and Cutting Tool Factory

9. Electric carbon plant

10. Electric meter instrument factory

11. Acheng Relay Factory

12. Jiamusi Paper Mill

13. China First Heavy Machinery Group Corporation

14 Shaft No. 10, Xing'an Terrace, Hegang

15. Hegang Dongshan No. 1 shaft

16. Hegang Xing'antai Coal Washing Plant

17. Jixi Chengzihe Coal Washing Plant

18. Jixi Chengzihe No. 9 vertical shaft

19. Shaft No. 2 of Xing'an Terrace, Hegang

20. Shuangyashan Coal Washing Plant

21. Friendship Farm

22. Qiqihar Steel (Beijing Manchu Special Steel)

4. Inner Mongolia

1. Baotou Iron and Steel Company

2. Inner Mongolia First Machinery Factory Inner Mongolia First Machinery Manufacturing (Group) Co., Ltd.

3. Second Machinery Factory

4. Baotou No. 1 Thermal Power Plant

5. Inner Mongolia Mengdian Huaneng Thermal Power Co., Ltd. (Baotou No. 2 Thermal Power Plant)

5. Beijing

1. Beijing Electronic Tube Factory

2. Beijing Strategic Rocket Production Plant

3. Metal structure plant

6. Henan Province

1. Luoyang Thermal Power Plant

2. Luoyang Yituo Company (Luoyang Tractor Factory)

3. Mining Machinery Factory (Mining Machinery Factory)

4. Ball Bearing Factory (Luoyang Bearing Factory)

5. Copper processing plant

6. High-speed diesel engine factory (formerly known as Henan Diesel Engine Factory)

7. Refractory Material Factory (formerly Luoyang Refractory Material Factory)

8. Yellow River Smelter

9. Sanmenxia China Hydropower Construction 11th Engineering Bureau or Sanmenxia Water Control Project

10. The shaft of Zhongma Village in Jiaozuo is the Jiaozuo Mining Bureau.

11. Zhengzhou Railway Station

12. Pingdingshan No. 2 vertical shaft

13. As one of 156 key engineering projects, with the assistance of East Germany, an enterprise specializing in the production of synthetic diamonds for the machine tool industry was established in Zhengzhou.

7. Hebei Province

1. North China Pharmaceutical Group Co., Ltd.

2. Baoding Film Factory

3. Baoding Chemical Fiber Factory

4. 604 Paper Mill

5. Shijiazhuang Cotton Spinning Factory

6. Handan Cotton Mill

7. Chengde Iron and Steel Group Co., Ltd.

8. Fengfeng Matou (Central) Coal Washing Plant

8. Hunan Province

Zhuzhou

1. Southern Power Machinery Company (formerly 331 Factory)
2. Zhuzhou Power Plant
3. Zhuzhou Cemented Carbide Factory (formerly Zhongnan Cemented Carbide Factory)
4. Zhuzhou Coal Washing Plant
5. Hunan Yueyang Forest and Paper Group Co., Ltd.
6. Zhixian Power Station

9. Hubei Province

1. Wuhan Iron and Steel Company (Wuhan Iron and Steel Complex)
2. Wuhan Heavy Machine Tool Factory
3. Wuhan Boiler Factory
4. Wuchang Shipyard
5. Wuhan Meat Union
6. Qingshan Thermal Power Plant
7. Daye Nonferrous Metals Company
8. Wuhan Yangtze River Bridge
9. Hubei Electric Power Construction First Engineering Company

10. Shanxi Province

1. Shanxi Diesel Engine Factory
2. Taiyuan Second Thermal Power Plant
3. Taiyuan Pharmaceutical Factory
4. Shanxi Lu'an Coal Washing Plant
5. Datong goose feather mouth vertical well
6. Datong Coking Coal Mine Co., Ltd.
7. Shanxi Xinhua Chemical Plant

11. Jiangxi Province

Three major tungsten mines:

1. Daji shan
2. Xihua shan
3. Kemei shan

12. Anhui Province

1. Huainan Xiejiaji Central Coal Washing Plant

13. Yunnan Province

1. Kaiyuan Power Plant
2. Yunnan Tin Company
3. Dongchuan Mining Bureau
4. Huize lead-zinc mine
5. Gejiu Power Station

14. Sichuan Province

1. Chongqing Power Plant
2. Jinjiang Electric Machinery Factory
3. Xinxing Instrument Factory
4. Southwest Radio Equipment Factory
5. Chengdu Power Plant
6. Chongqing Meat Processing Plant
7. Hongguang Electronic Tube Factory
8. Guoguang Electronic Tube Factory
9. Chengdu Motor Factory
10. Sichuan Changhong Electronics Group Corporation
11. Sichuan Jiuzhou Applied Electronic System Co., Ltd.
12. Chengdu 773 Factory
13. Lion Beach Power Station

14. Shaanxi Province

1. Xi'an High Voltage Electric Porcelain Co., Ltd.
2. Xi'an Vertical Well
3. XAC Group
4. Shaanxi Switching Rectifier Factory was built in the early 1960s
5. Xi'an Xidian Electrical Materials Co., Ltd. (formerly known as Xi'an Insulation Material Factory)
6. Xi'an Power Window Container Factory
7. Xi'an High Voltage Electric Porcelain Factory (4 out of 156) forms Xi'an Electric Machinery Manufacturing Company
8. Xi'an Thermal Power Station
9. The Xi'an Engine Accessory Factory, Aircraft Accessory Factory, Baoji Aviation Instrument Factory, and Xingping Aviation Electrical Appliance Factory built with the aid of the Soviet Union were officially accepted and put into production by the state
10. Tongchuan Jade Cave Vertical Well

15. Gansu

1. Yumen Petroleum Administration
2. PetroChina Lanzhou Refining & Chemical Company
3. Silver Nonferrous Metals Company
4. Xigu Thermal Power Plant
5. Lanzhou Machinery Factory (or Lanzhou Petroleum Machinery Factory)
6. Lanzhou Refining and Chemical Equipment Factory broke ground and started construction, and later merged into Lanzhou Petrochemical Machinery Factory
7. Lanzhou Synthetic Rubber Factory
8. Lanzhou Nitrogen Fertilizer Plant
9. Lanzhou Thermal Power Station
10. Institute of Near Physics, Chinese Academy of Sciences

16. Xinjiang

1. Xinjiang Medical University
2. Urumqi Thermal Power Station
3. China Aviation Industry Corporation I

17. Ningxia

1. Xihuashan Tungsten Mine
