Type of Meeting:

2nd national conference on reform through labor

Place of Meeting:

Beijing

Attendance:

A total of 174 responsible comrades from various regions, provinces (cities) public security departments (bureaus), various labor reform departments and key labor reform production units attended the meeting

Major Agenda Items:

Speeches/Reports:

[Report of the Second National Working Conference on Reform of Labor Criminals.](#)

Other Decisions and/or Actions:

.

Remarks:

The meeting discussed the "Regulations of the People's Republic of China on Labour Reform (Draft)" and "Interim Measures for the Release and Placement of Labor Rehabilitation Criminals (Draft) "The Measures for the Financial Management of Labor Reform and Production", etc.

The meeting held that since the [first national work conference on reforming criminals through labor](#), great achievements have been made in reform through labor, which basically solved the problem of "sitting and eating" for criminals; criminals can generally bow their heads and plead guilty after undergoing reform through labor and ideological education. Active production, many of the criminals have been transformed into skilled laborers
